Forest Road Speeding Issues – Cllr Heron reported that the installation of average speed cameras along Roger Penny Way and Forest Road (new HPC additional requirement) is supported by all bodies with the exception of the police who are concerned about having the capacity to process the data. Cllr Heron is lobbying the new police commissioner. The cost of the scheme will be approximately £250,000. Cllr Heron advised that it would be beneficial if HPC financially supported the feasibility survey and he will provide HPC with further information.

Ladies Mile Road Surface – The clerk has written to all the parties involved and is awaiting replies.

Hatchet Green sign – A new “Residents parking no access” sign has been installed by the Lengthsman. Cllr Vickery proposed a vote of thanks to the makers of the sign.

Cllr Gemmell opened the meeting to members of the public.

Stephen Roper addressed the meeting explaining the Hale Social Committees proposal to hold an event to celebrate the Queens Platinum Jubilee in May 2022. This would take the form of a “Last night of the proms” event on Hatchet Green in the evening.

The proposal was generally well supported by Councillors. It was suggested that a fete is held in the afternoon of the proposed evening event to involve the children and young adults of the village and which may get the support of the school. Social Committee to report back to HPC in due course. School to be approached. Councillors agreed to assist funding the initiative.

Cllr Gemmell closed the meeting to members of the public.

This planning application falls within Wiltshire but borders HPC and directly affects a Hale Parishioner , after discussion it was agreed by a majority of 4 votes to 1 to recommend option 2 – **REFUSAL** but would accept the decision reached by the National Park Authority's Officers under their delegated powers. This decision will be conveyed to the NPA although there is no formal requirement to do so.

21.119 HARRYS MEADOW – Update regarding pop-up campsite.

Much discussion took place and concerns were raised that the owner/operator may not have complied with principles of mitigation. Cllr Heron was helpful in his advice regarding the wider context and the direction this issue will take from June 2022. It was **RESOLVED** that HPC will write formally to the NPA with our concerns and ask for the current status on various matters and actions taken. Cllr Lavis to draft letter for Clerk's action.

Cllr Heron also pointed out that Govt Ministers were indicating a law change whereby the "28 day rule" might be permanently extended to 56 days. There is strong opposition to this from National Parks. Chair to draft letter to Sir Desmond Swayne (local MP) voicing concerns.

21.120 STANDARDS COMMITTEE – To receive a report on the Standards Committee held on 17th June.

Cllr Kyle reported on the findings of the closed meeting of the standards committee held on June 17th. It was determined that no breach of the code of conduct had taken place by any councillors in respect to all issues raised by the complainant. The clerk will write to the complainant and highlight that the resignation letter was treated as a complaint.

It was also noted that, in relation to a complaint to the monitoring officer against Cllr Gemmell, the monitoring officer has written to HPC stating that to investigate further would be a disproportionate use of public funds and no further action will be taken.

21.121 AFFORDABLE HOUSING – Discussion on whether to revisit the HARA report.

After lengthy discussion on the matter it was **RESOLVED** to record the following statement:

“The 2017 HARA report was a snapshot from 2017 and was superseded by the NFDC Housing Strategy Officers comments to the NPA Planning Committee in May 2021. The HARA report is now regarded as being out of date.”

During the discussion it was also determined that the HPC “housing conditions document” is long overdue and will be placed as a future agenda item.

21.122 HALE AND WOODGREEN PARISH MAGAZINE - Proposal to restart the Hale and Woodgreen Community and Parish Magazine.

The printed copies of the Parish Magazine ceased after the Dec 2020 edition. There have been changes to the organising committee and there is a proposal to have an online version and a printed version delivered free to each address in both Parishes – requiring substantial fundraising. Whilst HPC support the restarting of the Parish magazine would prefer online publishing and targeted printed copies rather than blanket distribution of paper copies to all residents. A more modern approach could include the provision of touch screens in the foyer of both village halls with links to local websites.

NFDC have a waste reduction grant available and a move to a predominantly online version could fall within this grant's remit. Clerk to arrange a meeting between Council Chair and Newsletter committee to discuss the way forward.

21.123 BROADBAND UPDATE - To receive a progress update on the BT Openreach project John Mangan has kindly continued to liaise with BT Openreach. There is a discrepancy in the sums sought by BT to upgrade broadband speeds in each village with Woodgreen residents expected to contribute £650 but Hale residents expected to find £2000 – after grants. Hale PC to encourage more Parishioners to express an “intention to sign up” in order to gain a better understanding of the level of desire for an upgrade within Hale. Hopefully the unit price will fall from the very high level quoted.
